# TESTIMONIALS

“The Junior Premier League’s partnership with GOALS is one we value and one that has gone from strength to strength, particularly through the success of our 5v5 and 7v7 programmes in the Midlands. And now we’re excited to be working with GOALS on a ground-breaking, new national 3v3 programme, set to launch in an initial 10 Clubs across England for the 2025–26 season with further expansion planned. We share a desire to create incredible new opportunities for young players to express themselves, develop their skills, and fall in love with the game we all care so deeply about.”

# TESTIMONIALS

“Booking our weekly training sessions at GOALS Bradford has made a real difference. Ensuring our winter programme was booked correctly with the staff was a breeze as they’re so organised and the pitches are exactly what we need - safe, clean and floodlit. We’ve got over 100 kids across different age groups, so having a reliable setup that works week in, week out is a massive win. It’s also helped us keep costs fair for parents.”

## IDLE FC

“IYFC have now played out of GOALS for the past 5 years, and the experience has been excellent. We love the fact that at any given time, we have kids from 6-year-olds to 15-year-olds playing at the same time on different pitches. You can get tea/coffee and hot food, and the feedback from the teams and visitors is always positive.”

# TESTIMONIALS

“Coventrians FC has been a regular customer at GOALS Coventry for 15 years. We use the facility for all-weather training in the winter and host meetings, CPD events and workshops at the venue. The staff are friendly and helpful and always do their best to accommodate our ever-growing club and our requests for pitches. Bookings are made ahead of time when we plan out our all-weather training, but ad-hoc additions are dealt with swiftly.”

“For everyone in the team, this has been their first experience in football and the use of a junior block booking with GOALS has allowed the team to learn the basics on first-class facilities. We also use the bar area for our football presentations and get together.”
